

The BetaWolves TEAM 6637

Escanaba District Champions

The BetaWolves won our first ever district competition with our alliance partners Superior Roboworks from Houton and the Talons from Hale, MI!

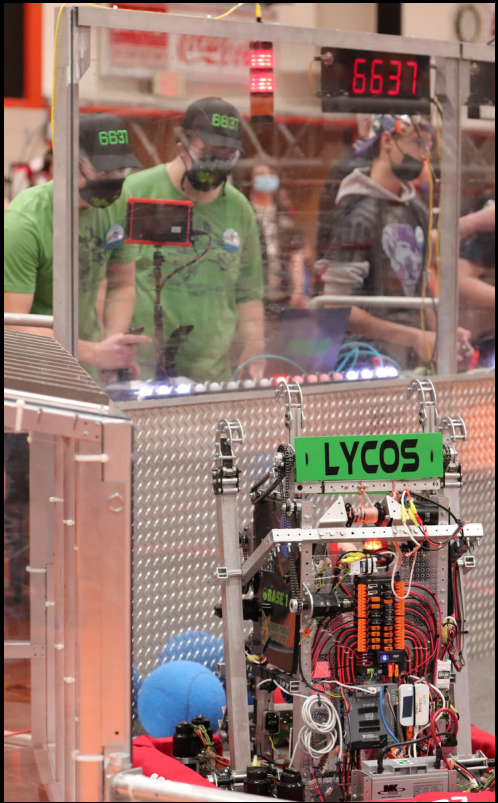

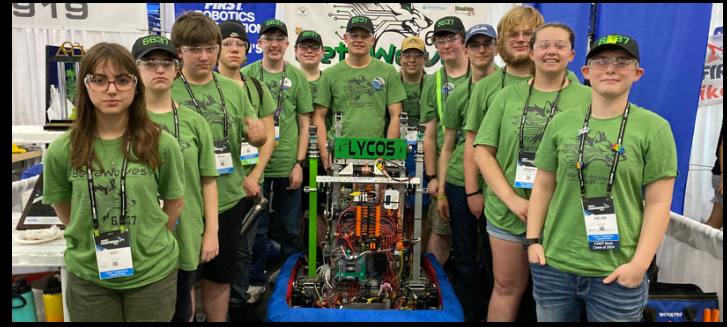

Chairman Award Winner

The BetaWolves won the prestigious Chairman's Award at both the Kingsford District Competition and the Michigan State Championship!

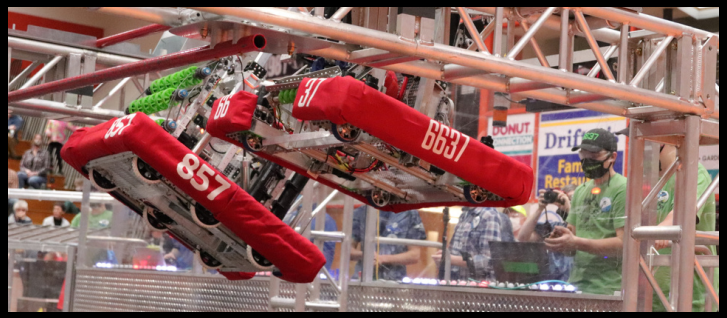

FIRST World Championship in Houston, TX

The team had a banner year in 2022, earning a spot in the World Championship in Houston, TX! The team was able to compete with teams from all over the world.

The team is excited for the upcoming year. Watch for updates on our Facebook page!

Thank you to all our sponsors and volunteers! We couldn't do it without you!

Thank you for supporting our future engineers!
